2. We are not going to give way to Satan,
we are not going to listen to lies,
he may think that the land is his land,
but he'll get a big surprise.

3. We are not going to doubt Jesus' pow'r,
we are not going to turn back in fear,
the commander of heaven's armies
is standing with us here.

4. We are not going to visit, then come back,
we are not going to miss out, no way!
We have heard of a land of revival
so we're on the move today.
