2. Know your sin that caused his pain,
 kneel at the cross,
 ask forgiveness in his name,
 kneel at the cross.
 Wonder at the price he paid,
 kneel at the cross,
 all your guilt is washed away,
 kneel at the cross.

3. Die to self to rise with him,
 share in the cross,
 glory's won through suffering,
 share in the cross.
 Joy before him, Christ endured,
 share in the cross,
 lives redeemed his great reward,
 share in the cross.
